Dear Mr. Marshall:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 116965.

The City of Coppell (the "city") received a request for the active criminal investigation file concerning the requestor. You contend that the city is not required to provide a response under the Open Records Act. You have related the reason why you need not respond to the request. We have considered your arguments and conclude that you need not comply with the request for information.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,

A handwritten signature in cursive script, appearing to read "Yen-Ha Le", is written above the typed name.
